Uplift Mentoring and Tutoring Program

Restoration Community Development Corporation offers a Before and After School Mentoring and Tutoring Program for students pre-k through middle school. Those students who are enrolled before school be prepared for the day spiritually, emotionally and intellectually. We will also emphasize proper organization in preparing for the school day.

After school students are trained to successfully study for greater understanding, enhancing their desire to learn, retain and utilize what has been taught. The students will receive the academic assistant they need while being trained and nurtured by Christian adults.

Little Restorer's Learning Center

Little Restorer's Learning Center is a dedicated Full-Day Christian Nursery and Preschool geared to minister to the whole child. We not only attend to the physical care of our children, but also their emotional, educational, and spiritual needs.

We believe that the Bible is the inspired Word of God. We teach Bible Education from Nursery through Pre-K. Our curriculum is Bible Based (Abeka). Growing and learning come from all areas of life, not just text books. We explore God's creation all around us.

Children will enjoy learning and growing with their friends. There are many opportunities to explore and just be themselves as God created "A friend loves at all time"

Edith Nugent Scholarship Fund

The Edith Nugent Scholarship fund was established in October 2005 in loving memory for whom it honors, a woman who highly valued education. Ms. Nugent placed emphasis on planning for the future and mapping out success and believed, "if you fail to plan, you're planning on failing". She bestowed this proverb to many needing encouragement and direction while on life's journey.

The scholarship fund strives to assist those seeking higher education, and act as a vehicle in pursuit of this achievement. Your contributions are appreciated and a blessing in the lives of those pursuing their dreams.
